

EASTEY VSA1721 VALUE SERIES COMBO UNIT

November 1, 2014, Brooklyn Park, MN – Eastey Enterprises., a leading manufacturer of L-sealers, sleeve wrappers, shrink tunnels and bundling equipment, introduces the VSA1721 automatic L-sealer. The VSA1721 is an affordable solution for automatic sealing and shrinking a variety of products including toys, sporting goods, canned goods and more.

The Value Series automatic sealer is available with a hot knife seal head and features a powered takeaway mesh conveyor, motorized seal height adjustment, magnetic clamping, and automatic cycle timing to ensure a proper seal. The unit's film cradle allows users the ability to make quick and easy film adjustment and changeovers, and the units pin perf provides air evacuation to each package to leave a tight shrink wrapped product.

Eastey's automatic L-bar sealer is designed with a 17"W x 21"L seal area for packages up to 5" tall. The efficient automatic seal system allows users to seal up to 30 packages a minute.

The VSA1721 Combo Unit is available now through Eastey Enterprises network of authorized distributors. Sales inquiries can be directed to Joshua Nelson, Eastey Enterprises, 7041 Boone Avenue, Brooklyn Park, MN 55428, 1-800-835-9344.
